FROM THE PRINCIPAL

As we reach the end of Week 4, it is clear that our routines and structures have fallen into place.

Thank you for the wonderful turn out for our Meet the Teacher night and Welcome BBQ. It was wonderful to see so many people keen to know and understand the routines of their child's class as well as meet other parents in a very relaxed atmosphere.

A big thank you to the marvellous Mrs Mead at Kurrajong Cellars for donating much needed ice for the evening. Thank you too, to the P&C and our wonderful teachers who gave up their time to be at this great event.

There will be many notes distributed next week. Notes include Year 6 shirts, which should go out on Monday, Voluntary School Fees, Stage 3 camp and the update of emergency contacts. If finances are ever a concern for families, please make an appointment to speak with me. We are able to confidentially discuss options that will suit your circumstances and still enable your children to experience all that school has to offer.

SWIMMING CARNIVAL

Congratulations to all involved in the delivery of another magnificent swimming carnival. A special mention to Mrs Stirzaker for leading and coordinating the organisation of the carnival. We are also incredibly fortunate to have such strong support from our community, with many parents offering to assist with time keeping and marshalling. Everyone had a lot of fun and we were incredibly lucky with the weather! Yesterday's results will be published in the next newsletter.

There will be a special assembly in the playground tomorrow to hand out ribbons and invitations to the Zone Carnival next week.

CAR PARK SAFETY

Parents please remember that the staff car park is for staff parking only. No parents or carers should be driving into, or walking through this area unless a prior arrangement is made with the school principal. Staff carpark gates will be locked at 8:45am to discourage students and carers from walking through this potentially hazardous area of our school. Our priority is to keep everyone safe.

VISITING THE SCHOOL

From time to time you may need to visit the school throughout the school day or during recess or lunch breaks. In order to ensure the safety and security of all our students, all visitors are to report to the office in the first instance. This informs us of who is on school grounds at all times and maintain the safety of our students. I thank you in advance for your cooperation with this matter.

YEAR 6 TO HIGH SCHOOL

In the last newsletter we advised an expression of interest form for High School 2021 was sent home. If you haven't already, please complete it and return it to the office before Friday 20 March.

Please remember there is an information night on Monday 2 March from 6:00pm-7:00pm for Colo High School.

REMINDERS

Also a reminder that students and siblings are not permitted to play on the playground equipment before or after school. We care about our students and we want them to be safe.

Colo High School Information Evening

For current Year 5 and 6 Parents

Monday 2 March 2020

6:00 pm — 7:30 pm

Dear Year 5 and 6 Parents/Caregivers and students,

You are cordially invited to attend our information evening for families and students interested in enrolling at Colo High School. This year we are thrilled to be able to widen our invitation to Year 5 and Year 6. **The invitation is for students as well as parents and caregivers.** We will invite Year 5 again next year, but many families have expressed the desire to come and get to know us earlier.

The evening provides valuable information to all intending and possible enrolments. This meeting will provide an opportunity to learn more about the way Colo High School operates and to view our excellent facilities. This event will be held at Colo High School from 6:00 pm - 7:30 pm on Monday 2 March 2020.

The evening will begin in the school hall with an address by the Principal, Mr Mark Sargeant. There will then be the opportunity to meet staff and students to gain further insights into our high school and its values. You will also be able to tour the facilities and meet some current students. This evening will be a wonderful opportunity to ask questions and seek clarification about Colo High School. Come and see why we are an extraordinary comprehensive school - one which is unashamedly proud of its academic results and its genuine warmth of community.

We look forward to meeting you.

Please note that current Year 6 students will have additional opportunities to visit Colo High School throughout the year as part of our excellent transition program.
